BECOME A MEMBER

Corporate and Individual members support the Council's mission to be a premier forum for informed discussion of global affairs that impact Atlanta's economy, culture and quality of life. The Council delivers value to members through four action areas.

- Convene diplomats, dignitaries, executives and experts engaged in consequential conversations about the world we share
- Connect curious people exchanging ideas on global challenges, opportunities and solutions
- Cultivate young professionals into globally competent emerging leaders
- Amplify productive thought leadership that prompts new thinking on critical global issues
